

Part number

TM 1634 SIT

Interlocked switched socket-outlet, TM series,
3 poles + PE, 3 h (red), 16 A, 380 ÷ 380 V,
E16 fuse carrier, without base box

Product description	
Product type	Interlocked switched socket-outlet
Series	TM.. SIT
N. of poles	3 poles + 
Clock position	3
Specification	E16 fuse carrier Without base box
Technical data	
Current	16 A
Voltage	380V (50Hz.) 440V (60Hz.)
IP degree of protection	IP66 / IP67
Further technical details	
Operating temperature range (min, max)	-25°C ... +40°C
UL 94 flammability rating	V-2
IK rating (impact degree of protection)	IK10

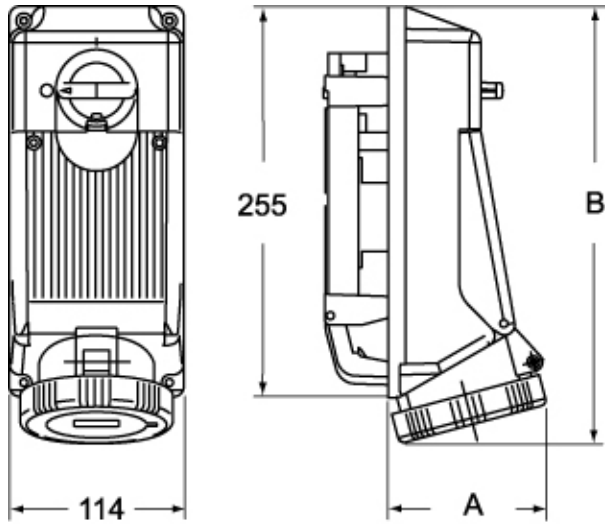

Material properties	
Colour	RAL 7012 grey, RAL 3000 red
Approvals / Standards	
Reference standard	EN 60309-1, -2 e -4
General ordering information	
EAN13 code	8015747161350

Part number

TM 1634 SIT
