

Part number

# SQV 1625

Interlocked switched socket-outlet, SQV series, 3 poles + N + PE, 2 h (green), 16 A, > 50 V, sectionable fuse carrier 10 x 38 mm

| Product description                     |                                                                                                 |
|-----------------------------------------|-------------------------------------------------------------------------------------------------|
| Product type                            | Interlocked switched socket-outlet                                                              |
| Series                                  | SQV                                                                                             |
| N. of poles                             | 3 poles + N +  |
| Clock position                          | 2                                                                                               |
| Specification                           | Sectionable fuse carrier 10 x 38 mm                                                             |
| Technical data                          |                                                                                                 |
| Current                                 | 16 A                                                                                            |
| Voltage                                 | > 50 V                                                                                          |
| IP degree of protection                 | IP44                                                                                            |
| Further technical details               |                                                                                                 |
| Operating temperature range (min, max)  | -25°C ... +40°C                                                                                 |
| IK rating (impact degree of protection) | IK08                                                                                            |

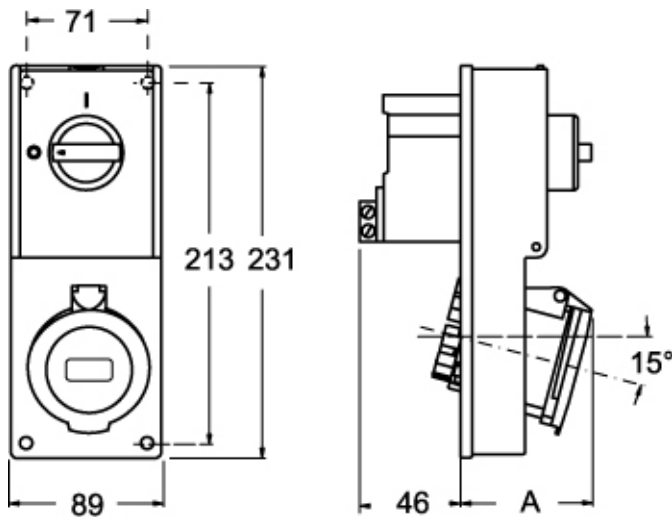

| Material properties          |                               |
|------------------------------|-------------------------------|
| Colour                       | RAL 7035 grey, RAL 6017 green |
| Approvals / Standards        |                               |
| Reference standard           | EN 60309-1, -2 e -4           |
| General ordering information |                               |
| EAN13 code                   | 8015747160179                 |
